

World Mysteries Poster Project!

For this project you will make a poster detailing either the mystery of King Tut or the mystery of the Bermuda Triangle!

Your poster must have the following.

- **Large Title** of what your poster is about
- **Hand drawn map** of the area (Either that of the Bermuda Triangle or a map of Egypt.)
- **A neatly colored picture** - For Egypt you can use King Tut. For the Triangle you can use the World War II plane.
- **WHY IS IT A MYSTERY!** You need a paragraph with at least twelve sentences telling the reader why your topic is a mystery. Be sure to put a title on the paragraph. Talk about the weird things that have happened.
- **POSSIBLE EXPLANATION!** You need a section on your poster detailing one theory that you think might explain this mystery. You only need ONE theory but be sure to explain it.
- **WHAT I THINK!** Finally you need a section explaining your opinion of all this. You should have at least five sentences here.
